

RECONCILIATION

"Lay Saletenses - Called and sent - The joy of Reconciliation"

Monthly Bulletin 011 / English - December 2022.

Dear brothers and sisters. We all are children of the same eternal father.

Television shows us Pope Francis praying and, moved, crying for all those who suffer the consequences of the insane war. He weeps the tears of all of us, the tears of Our Lady of Salette.

My old father used to say that when a man cries in public, the generation is saved.

International Coordinator of
the Lay Saletenses.

We are living the season of Advent, preparing to celebrate the birth of Jesus, the child God who came to live with us for a certain period of his life. In this troubled world, he lived long enough to show us God the Father's project.

In this project we should love our neighbor as He loved us. It's not easy to do this. The neighbor, most of the time, we place him very far from us. We forgot to love him, to support him, to welcome him, to feed him...

May we get down on our knees and pray as the Pope has prayed. This Christmas may the light of love and peace shine in your home and may the New Year bring many happy and prosperous days.

Fraternally yours,

Mario Apone
